

## CRISIS RESPONSE:

# Improving Adult and Juvenile Crisis Stabilization and Community Reentry Program

This program is a new solicitation designed to implement programming and services in response to the Crisis Stabilization and Community Reentry Act of 2020. It includes two categories for funding:

- **Category 1: Adult and Juvenile Crisis Stabilization and Community Reentry Programs – State and Local Governments**
- **Category 2: Adult and Juvenile Crisis Stabilization and Community Reentry Programs – Nonprofit Organizations and Tribal Governments**

This program provides funding to state, local, and tribal governments, as well as community-based nonprofit organizations, to enhance or implement clinical services and other evidence-based responses to improve reentry, reduce recidivism, and address the treatment and recovery needs of people with mental health, substance use, or cooccurring disorders who are currently involved in the criminal justice system or were formerly involved.

### ELIGIBLE ENTITIES:

City or township governments, County governments, Native American tribal governments (Federally recognized), Native American tribal organizations (other than Federally recognized tribal governments), Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education, Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education, Public and State controlled institutions of higher education, Public housing authorities/Indian housing authorities, State governments.

### WHAT CAN BE FUNDED?

Programs funded under this solicitation must ensure that individuals are screened, assessed, and identified for program participation and clinical services during pretrial detention or as early as possible upon incarceration and prior to release. Following release from incarceration or pretrial detention, participants should receive discharge planning services based on the results of their screening and assessment that support continuity of care and longterm recovery in the community. These services may include:

- benefit coordination
- case management
- evidence-based programming
